

Diverticular disease

A fresh Approach to a Neglected Disease
An International Falk-Symposium

Köln (Cologne), September 2 – 3, 2011

Programme Committee:

Wolfgang Kruis, Köln

Robin C Spiller, Nottingham

Savvas Papagrigoriadis, London

Alexander Engel, Zaandam

Martin E Kreis, München

Friday, 2. 9. 2011

| | |
|---------------|--|
| 8.45 - 9.00 | Welcome and introduction |
| 9.00 - 11.00 | Pathogenesis Chairs: F. Azpiroz, Barcelona J. Simpson, Nottingham |
| 9.00 - 9.25 | Changing epidemiology: does it increase our understanding David Humes, Nottingham |
| 9.25 - 9.50 | Abnormalities of neuromuscular anatomy Tilo Wedel, Kiel |
| 9.50 - 10.20 | Abnormalities of neuromuscular function Mario M Müller, München |
| 10.20 - 10.45 | A pathologist's view of diverticular disease Najib Haboubi, Manchester |
| 10.45 - 11.10 | Biomarkers of past and present inflammation Aldo Tursi, Andria |
| 11.10 - 11.30 | Coffee break - |

Course of the disease

Chairs: Toshifumi Hibi, Tokyo
A. Hoelscher, Cologne

| | | |
|---------------|--|------------------------|
| 11.30 - 12.00 | Impact of life style | Lisa L Strate, Seattle |
| 12.00 - 12.30 | What determines the evolution of complications in diverticulitis | Michel Delvaux, Nancy |
| 12.30 - 12.55 | Is diverticular disease associated with colonic malignancy? | R Logan, Nottingham |

12.55 - 14.15 Lunch and Poster visits

14.15 - 15.30

Diagnosis

Chairs: H.-J. Buhr, Berlin
M. Zeitz, Berlin

Diagnostic criteria and accuracy of:

| | | |
|---------------|--|------------------------------|
| 14.15 - 14.30 | CT-scan / MRI | P Ambrosetti, Geneva |
| 14.30 - 14.45 | Ultrasound | JB Puylaert, Den Haag |
| 14.45 - 15.00 | Endoscopy | S Bar-Meir, Tel Aviv |
| 15.00 - 15.30 | Clinical cases and decision making with panel discussion | Marja Boermeester, Amsterdam |

15.30 - 16.00 - Coffee break -

Hypothesis and future directions of research

Chairs: KW Jauch, München
J Malagelada, Barcelona

| | | |
|---------------|--|-------------------------|
| 16.00 - 16.30 | Is it Diverticular disease or is it IBS? | RC Spiller, Nottingham |
| 16.30 - 16.50 | The role of visceral fat | A Schäffler, Regensburg |
| 16.50 - 17.10 | Genetics and inflammation | S Schreiber, Kiel |
| 17.10 - 17.30 | Perception and origin of symptoms | J. Simpson, Nottingham |

Saturday 3. 9. 2011

| | | |
|---------------|---|---------------------------|
| 9.00 - 10.30 | Diverticulitis: First attack Chairs: H.-P. Bruch, Lübeck P Lakatos, Budapest | |
| 9.00 - 9.20 | Classification | JP Ritz, Berlin |
| 9.20 - 9.50 | Conservative management | W Kruis, Köln |
| 9.50 - 10.10 | Laparoscopic management of perforation | Des Winter, Dublin |
| 10.10 - 10.30 | Hartmann`s procedure or primary anastomosis | ME Kreis, München |
| 10.30 - 11.00 | - coffee break - | |
| 11.00 - 14.00 | Medical treatment in details Chair ME Falagas, Athens EMM Quigley, Cork | |
| 11.00 - 11.25 | Modifying the microbiota | F Shanahan, Cork |
| 11.25 - 11.45 | Antibiotics | HB Stockmann, Haarlem |
| 11.45 - 12.10 | Aminosalicylates | Severine Vermeire, Leuven |
| 12.10 - 12.30 | Presentation of the poster winner(s) (The winner present two key slides) | RC Spiller, Nottingham |
| 12.30 - 13.45 | Lunch and Poster visits | |
| 13.45 - 16.00 | Recurrent diverticulitis Chair T. Germer, Würzburg F DiMario, Bologna | |
| 13.45 - 14.05 | Clinical presentation and risks | G. Binda, Genua |
| 14.05 - 14.30 | Smoldering vs recurrent diverticulitis | B Wolff, Rochester MN |
| 14.30 - 14.50 | Risk stratification in elective surgery | A. Engel, Zaandam |
| 14.50 - 15.10 | Differences in early outcome after open or laparoscopic sigmoid | |

| | |
|---------------|--|
| 15.10 – 15.30 | resection- what is the evidence?. S. Papagrigradis, London Long-term outcome of elective surgery: Symptoms, cicatrical hernia and permanent colostomy rate B Egger, Fribourg |
| 15.30 - 16.00 | - Coffee break – |
| 16.00 - 16.40 | <p>Critical issue: When should we operate for recurrent diverticulitis? Chair Bruce Wolff, Rochester MN EA Neugebauer, Köln</p> |
| 16.30-16.40 | <p>Statements: The gastroenterologist`s view B. Lembcke, Gladbeck The surgeon`s view Asha Senapati, Portsmouth Discussion</p> |
| 16.40 – 17.20 | <p>Critical issues: Questions and answers Panel: B Lembcke, A Engel, ME Kreis, W Kruis, S. Papagrigradis, A Senapati, RC Spiller,</p> |
| 17.20 – 17.30 | Concluding remarks |
